A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Mr. and Mrs. A. S. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a con-stant tired seeling-mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help.
